Whoa!
What the hell
happened?!

Where the
hell am I?!

Huh?

It feels like
I've passed this
area before...

Where...

Where is
everyone?!

This is quite troubling...

It looks like quite a complicated spell...

I can't just enter while being clueless...

Do I have to sit still like this...?

If that's the case...

then I wonder who the other people who can't figure out this spell will do!

Those two look
like the rumored
Dual Demon
Blades...

They people
who will do anything
for money...

On top
of that...

I can't find
anything about
him...!

He looks
so unique that
I should've heard
rumors about
him.

but I
can't recall
any...

That's right.

That tells he's
not the average
person.

Hmm?

Those
two are just
leaving?

Do they
have some sort
of plan?

Why
are they just
leaving?

Light
I like, too?

!

I just can't
leave, too

Well...

It's not like I'll
discover anything
else by staying
here...

Let's go
before the others
get there first,
Brother.

I don't think
we need to worry
about such things,
Brother.

By the
way, those two
looked like

they'd just
ignore whatever
we'd do.

Is that
right?

Do they have
a better method
than us? Why aren't
they taking advan-
tage of it?

I don't know
myself, but I believe
that our method will
be the fastest.

We'll be the
first people...

to ever take
the steps to Byrui
Chun Lin!

Chapter 12

Ah!

What's wrong, Mierchen Gongje?

Ah~ This is bad. I forgot some ingredients at the veggie store.

If it's not important, you should get it next time.

It will be sundown soon ..

Ah! That's right!

I bought some meat buns for you, Choo.

What?

They said that it's one of the best dishes, so please eat it!

Chao, I bought
this so that you can eat
it alone, so you can't
give any to Master,
alright~?

You need to
eat all of it alone,
alright?!

Ah...

Yes...

That aside,
what should
I do about the
ingredients?

I'm not in
any hurry.

but leaving the
odd one out gets on
my nerves.

I know...

Alright!

Instead of
worrying about it,
I'll just get it
and come right back!!

DEK

Huh?

I haven't even
said anything,
yet!

I already
know what
you're about
to say

München
Gongxi told me
to eat it all by
myself.

Don't be
like that-

Just one
bite...

No, you
can't

You'll
get fat.

Ah, thank
goodness...

I arrived
before
sundown...

Oh?

Why are they closed already?
The sun hasn't even set yet

Umm...
This is bad. I even
came all the way
down here

Chung-ah-
It's Märchen

I forgot an
ingredient...

Are you
mad...

Hmm?
The door
is open

Mar

Märchen...

Opps...

Chung-ah!
What's
wrong?!

Ru...

Ru... Run
away!!

...?!

하악

부당당당
STUMBLE

Rough...

What's going
on...?!

I didn't expect
you to visit so
quickly...

Things are
going just the
way we planned,
aren't they?

W-Who are
you guys?!
You're...

O...
Oppa...

Marchen...

Oops

Chung-shi!

Ahhh-
Where do you
think you're
going?!

Enggh

Who are
you guys?!

Why did you
do something
so atrocious?!

Hmm...
From this guy's
perspective, we're
the bad guys right?

Well...
Simply put,

we're here
to find Byeol
Chun Lin,

so we've
been tailing you
since we saw you at
the restaurant

But we ended up
losing you at the foot
of the mountain

Thankfully,
we noticed that there
was a spell cast around
the mountain and didn't
fall for the trap

However, we
had a plan for this
in advanced

After seeing
that you guys were
very friendly with
her, we decided to
kidnap her.

but she
wouldn't tell us
anything no matter
what we did.

She's really
stubborn for
her age.

Now that you're
here in person, I won't
need her anymore
though

She didn't
know ...

Huh?

She...

really
didn't know
anything...

CHAK
CHAK

What
the hell...?
You...

You're quite
skilled aren't
you...!!
